PRAYATHNA – 2K15
A National Level Two Days Work Shop
on
Android Application Development
18th-19th March, 2015

Organized by

Department
of
Computer Science and Engineering

K.S.R.M.College of Engineering
(Autonomous)

(Approved by AICTE,Accredited by NBA, NAAC and Affiliated to JNTUA)

(An ISO 9001:2000 Certified Institution)

KADAPA – 516 003

Andhra Pradesh

Web site: www.ksrmce.ac.in

About College:

Kandula Sreenivasa Reddy Memorial College of Engineering is one of premier private engineering institutes in Andhra Pradesh. It was established in the year 1980 in memory of Sri Kandula Sreenivasa Reddy, Son of Sri.K.Obul Reddy, former Member of Parliament.

The mission of the institute is to produce competent, efficient, highly motivated and skilled engineers, who can face the challenges of the 21st century, through quality education, industrial exposure and professional training to suit the needs of society and industry. The institute is located 8km from kadapa on kadapa-pulivendula road.

The institute offers six under graduate engineering courses: Civil, Mechanical, Electrical and Electronics, Electronics and Communications, Chemical Engineering, Computer Science and Engineering. It also offers seven post graduate courses - Geo technical engineering, CAD-CAM, Electrical Power Systems, Digital Electronics and Computer Systems, Computer Science Engineering and MBA.

About Department :

The Department of Computer Science & Engineering was started in the year 1991 with initial sanctioned strength of 30students and presently it is increased to 180 students and offers 2 year M.Tech. course with an annual intake of 18 students. The Department has highly qualified, experienced and dedicated faculty strength of 25. The Department has fully equipped laboratories. Alumni are well placed in India and abroad and many of them are presently pursuing their education in IISc, IITs', NITs' and other premier institutions.

Objects of the workshop:

Android application development workshop gives theoretical, empirical and practical exposure to students in the area of android applications. Further, this National workshop will be a great experience for learning innovative methodologies for technical students and research scholars.

Participants:

This course is intended for B.Tech./M.Tech. students, with any branch of specialization. The students should have basic knowledge about computer and any programming languages.

Registration Fee & Mode of Payment :

Participants should fill in the attached registration form and send the same to workshop coordinator along with the DD by 13th March 2015 in favour of "The Principal, K.S.R.M.College of Engineering" , payable at Kadapa.

Registration Fee for students: Rs.500/-.

- ❖ Accomidation willbe provided in hostel with prior intimation with nominal charge of **Rs. 100/-** per person
- ❖ Registration fee including working lunch & certificate
