Activity Description:

The Department of EEE under the Electrical Club organized a "Sports (cricket)". All the teams of the event are divided into three teams as a team of 12 members. Firstly two teams had been tossed and the winners of the toss had been separately. And the remaining two teams had played after that the winning team had played with the remaining team .So all teams had played successfully with the coordination of coordinators and with the support of faculty coordinators . So finally one team has been selected as the winners of the Sports event.
