DVV Query		<p>HEI has asserted involvement in certain activities that demonstrate minimal interaction or service to the broader community beyond its campus confines. Events oriented solely towards its own student body, such as "Distribution of Albendzoil Tablets to IB.Tech Students " or those serving as mere awareness campaigns (, such as "Awarness Program on Banking "), or annual celebratory occasions (, such as "Independence Day "), or rallies lack the fundamental essence required by this metric. In light of this observation, HEI is urged to reassess its assertions. In the humble opinion of DVV, activities such as awareness programs, celebrations of international or national days. ; HEI needs to provide the documents for the following activities: i. World Cancer Day(dated 04/02/2021), ii. Babu jagjavan Ram Jayanthi(dated 05/04/2021), iii. World Health Day(dated 07/04/2021), iv. Fit india Movement(dated 29/08/2019), v. Traffic Awerness (dated 31/08/2019), vi. Awareness of Waste Management(dated 11/09/2019), vii. National Unity day(dated 31/10/2019), viii. Human Rights Day(dated 10/12/2019), ix. National Youth day(dated 12/01/2020), x. Bio Diversity Day(dated 22/05/2020), xi. Yoga Day(dated 22/06/2020), xii. Internal National Yoga day(dated 21/06/2018), xiii. Relief fund for Titli Cyclone Victims (dated 20/11/2018), xiv. Live Video session Pandit Ravi Shankar Guruji (dated 19/02/2019). These documents must include the evidence as follow: i. Either links to outreach programs or the uploading of geo-tagged photographs (preferably accompanied by banners) with apt captions and dates. ii. Objectives outlined for each program must be articulated with precision, particularly focusing on the intended demographic(s) that the HEI aimed to cater to. iii. Any additional pertinent documents, such as media reports covering the events, appropriately captioned and dated, would be appreciated..</p>
HEI's Response		<p>The HEI has reassessed the assertions for the list of activities mentioned by the DVV. In line with the suggestions given by the DVV, the HEI has provided the evidence documents with objectives and outcomes focusing on the intended demographics along with the reports and geo-tegged photographs for each outreach activity.</p> <p style="text-align: right;">View Document</p>
