First Course Review Committee Report (CRC) 2020-21

Department	Electrical & Electronics Engineering	Year/Semester	IV/VIII
Course Name	Reliability Engineering & Applications to Power Systems	Course Code	1502806

Committee Members:

S. No.	Name	Role	Designation	Signature
1	Mr. C. Kumar Reddy	Course Coordinator	Assistant Professor	
2	Dr. K. Amaresh	Member	Professor	

Purpose / Objective	Problems Identified	Strength	Weakness	Suggestions for Improvement
To check the Uniform Coverage of syllabus	-Nil-	Hybrid Teaching Methodology	Response from the students through online is poor	Remedial hours are conducted for the students through offline
To overcome the shortcomings from students' point of view, if any	-Nil-	Problems are clearly explained through Pen tablet in Online Mode	Some of the students are not understood the problems as there is signal problems in their locations	Assignments are given to students and told to refer class material
