AUTONOMOUS
FIRST COURSE REVIEW COMMITTEE REPORT (CRC) 2020-21

Department	Electrical and Electronics Engineering	Year/Semester	I/I
Course Name	Basic Electrical & Electronics Engineering	Course Code	2014104

Committee Members:

S.No	Name	Role	Designation	Signature
1	A.Jyothirmayi	Course Coordinator	Asst.Profeesor	
2	G.Hussian Basha	Member	Asst.Profeesor	

Purpose / Objective	Problems Identified	Result Analysis		Suggestions for Improvement
		Strength	Weakness	
1. To check the Coverage of syllabus according to the Curriculum. 2. To Check the difficulties in understanding the subject by students.' point of view, if any.	1. The concerned faculty identified few of students are not attending regularly. 2. As it analytical subject, basics should be repeated when needed.	1. The related text books and solved problems are sent before commencement of topics to be covered. 2. Course material/handouts are given before/after class. 3. Regularly conducting quizzes and assignments for assessing students grasping level.	Some of the students are not responding to quizzes and assignments	1. Make students to practice more number of problems. 2. Encourage students refer various to gain the knowledge in the subject.

SECOND COURSE REVIEW COMMITTEE REPORT (CRC) 2020-21

Department	Electrical and Electronics Engineering	Year/Semester	I/I
Course Name	Basic Electrical & Electronics Engineering	Course Code	2014104

Committee Members::

S.No	Name	Role	Designation	Signature
1	A.Jyothirmayi	Course Coordinator	Asst.Profeesor	
2	G.Hussian Basha	Member	Asst.Profeesor	

Purpose / Objective	Problems Identified	Result Analysis		Suggestions for Improvement
		Strength	Weakness	
1. To check the Uniform Coverage of syllabus according to the External Examinations. 2. To overcome the shortcomings from students' point of view, in previous meeting like Videos.	The concerned faculty identified few of them are not attending classes because of irregularity of attending classes.	1.Usage of E Content, and YOUTUBEvideos for explaining each and every topic by the students can able to understand clearly. 2. The related lecture notes handover to studentsbefore commencement of topics to be covered	Difficult in solving the numerical by the students.	1. To overcome the above weaknesses try to solve more example problems. 2. Exercise few numerical problems from previous question papers.
