Importance and Brief of the day:

The Republic Day of India has been celebrated since 1950 to commemorate the enactment of the Indian Constitution, which was drafted & finalized in a total period of 2 years, 11 months, and 18 days by the framers of the constitution under the deanship of Dr. BR Ambedkar ji making it a most detailed constitution in the world setting as the backbone of democratic and secular fabric of our nation. No other Constitution has gone into such minute details as our constitution. 26th Jan was chosen because on this day, i.e., on 26th January 1930, our freedom fighters declared India's Independence as PURNA SWARAJ (Complete self-rule)- which was the first concrete step towards independence from colonial rule.

"Swaraj is my Birthright & I Shall have it," stated Bal Gangadhar Tilak ji and our freedom fighters who led this struggle and strived to build this beautiful nation with swaraj as our birthright.

Brief on the event:

Department of Physical education, KSRM College of Engineering (Autonomous) organized a few events to celebrate the birth of an "extraordinary Constitution" that established India "as the biggest sovereign democracy in the world.

Dr. V S S Murthy garu Principal, KSRMCE (A), asserted it's a proud feeling that Sri Pingali Venkayya Garu, designer of our Tricolor national flag, was the son of our Andhra Pradesh soil. He stated that the Saffron color of our flag is a symbol of courage & strength of the country. The white color of our flag is a symbol of the Honesty, Peace & truth of the country. The Green color is a Symbol of Prosperity & vibrant life of the country. The center blue color wheel symbolizes Dharma Chakra (Wheel of Law), first erected by Emperor Ashoka of the Mauryan empire as a symbol to unite Akanda Bharata under a single government in the 3rd century BC, our country since then till today in the 21st century following this path of oneness.

From The Principal's Desk

Swachh Bharat Abhiyan and Clean India 2.0 are two initiatives of the Government of India which formed the backdrop of various activities and sessions conducted in the Seven Day/Night NSS Special Camp-2022-2023, organized by the NSS Units of KSRM College of Engineering, Kadapa. The NSS Units of our College have been forerunners in spreading awareness regarding the need to save each drop of water and reach out to the community. They are also instrumental in creating awareness regarding the measures to achieve the objectives of Swachh Bharat and conserving Jal Shakti as envisioned by the two GovernmentProgrammes. The NSS volunteers were not only familiarized with the flagship programmes of the Government of India but also became more conscious andaware of their role in the implementation of these campaigns after attending the NSS Special Camp.

The Orientation session of the camp set the ball rolling and a plethora of activities were arranged for the enthusiastic NSS volunteers. The activities included installation of Book Donation Box, Workshops on basic life support system, Awareness Rally on Jal Shakti Abhiyan, Swachh Survekshan Survey 2022, awareness about vermicomposting, Workshop on Fire Fighting, Nukkad Natak on Poshak Abhiyan, lectures on gender sensitization, awareness about Anti Ragging campaign, interactive session on National Youth Parliament, awareness about tuberculosis.

The welfare of the individuals is dependent on the welfare of the society and therefore, it is of utmost importance that the NSS volunteers must strive for collective welfare. All the sessions, workshops and interactions paved the way for the volunteers to follow the motto of 'NOT ME BUT YOU' as they spend their years in the College as an NSS volunteer.

Such noble endeavours of the College owe a great deal to the torch bearers of the College who guide and inspire us. I am grateful to **Dr.K.Chandra Obul reddy Garu Managing Director, Kandula Group of Institutions of Colleges**, Kadapa for encouraging us to arrange sessions and events in sync with the ideals of NSS. I express my gratitude to Shri **Smt.K.Rajeswari Madam Correspondent** of the College and Vice Chairmen K.Madan Mohan Reddy who always motivates usto remain committed to the cause of community welfare. I extend my warm greetings to the Programme Officers J.Suresh babu, the NSS Programme Officers of our College for this Seven Day/Night NSS Special Camp-2022. Heartfelt wishes to the NSS volunteers who not only enthusiastically participated in the activities but also walked an extra mile to ensure that the ethos behind these campaigns is abided by. I extend my blessings to all these NSS volunteers for their never say die spirit and for enthusiastically participating in the camp thereby making it a huge success!

SEVEN DAY/ NIGHT NSS SPECIAL CAMP

Special Camping forms an integral part of National Service Scheme. It has a special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing and constant interaction with the community.

The primary objectives of the special camping programs are:

- Making education more relevant to the present situation, to meet the felt needs of the communities and supplement the education of university/college/school students by bringing them face to face with the prevailing situation of the community.

- To provide opportunities for students to play their due roles in the implementation of various development programs by planning and executing development projects, which not only help in creating durable community assets in rural areas and slums but also result in the improvement of the condition of weaker sections of the communities.

- Encouraging the students and non-student to work along with the adults in rural areas, thereby developing their character, social consciousness and commitment, discipline and healthy and helpful attitudes towards the community.

- Building potential youth leaders by exploring the latent potential among the campers, both students as well as local youth (rural and urban), with a view to involve them more intimately in development projects for longer periods. The local leadership generated during the camps would also be useful in ensuring proper maintenance of the assets created as a result of the camps.

- Emphasizing the dignity of labour and self-help and the need for combining physical work with intellectual pursuits, and encouraging youth to participate enthusiastically in the process of national development, and promote national integration through democratic living and cooperative action.

Communication to Students: All the Students are communicated through mails and also circulated circulars.

1) Preparing the schedule and requested inputs from the students.
2) Preparing the day wise program activities.
3) Collecting the Requirements like Palm plates, Banners and other materials need for camp.
4) Meeting with all NSS volunteers for discussing the camp activities to be executed.
