Brief report on activity	Ganesh Chaturthi, a nationwide festival honoring Lord Ganesh, traditionally involves Plaster of Paris idols that harm water bodies during immersion. A.Uma Shanker, from the Civil faculty, advocated for eco-friendly celebrations, stressing the need to align traditions with environmental consciousness. On-campus, students and staff crafted eco-friendly Ganesh idols using osrganic soil and natural colors, fostering awareness and distributing these eco idols across departments. This effort also extended to nearby villages, spreading awareness about environmentally conscious Ganesha celebrations.

ACTIVITY REPORT

Name of activity	**World Heart day**

Venue	College campus	**No. of participants:**	**Faculty**	**Others**	**Students**
			05	10	80
Date	29.09.2021	**Time:**	10.00 AM to 11.30 AM		
Brief report on activity	The World Heart Day camp was inaugurated by Sri K. Chandra Obula Reddy garu, the college management's principal and director. Both the teaching and non-teaching staff actively engaged in the event. Dr. K. Niranjan Reddy graced the occasion as the chief guest and provided insightful information. The World Heart Federation (WHF), founded in 1972, is a non-governmental organization headquartered in Geneva, Switzerland. A significant development occurred in 1978 when the International Society of Cardiology merged with the International Cardiology Federation, established in 1970, resulting in the formation of the International Society and Federation of Cardiology. This entity later transitioned into the World Heart Federation in 1998.The federation is responsible for hosting the prestigious World Congress of Cardiology. The initial informal international gathering of cardiologists was held in Prague in 1933, but due to the disruptions caused by Nazism and World War II, international collaboration in the field was curtailed until 1946 when a Cardiological Congress convened in Mexico City. The first official World Congress was successfully convened in 1950.The campaign saw enthusiastic participation from students and residents of nearby villages, further enriching the event's impact.

Brief report on activity	On October 8, 2021, the NSS unit of KSRM organized a significant road safety awareness program. Taking place near the Alankhanpalli bypass toll gate, the initiative aimed to promote responsible road behavior. Individuals riding two-wheelers on the National Highway (NH-9) without helmets were approached by our dedicated volunteers. In a gesture of concern, rose flowers were presented to these riders, accompanied by a sincere appeal to prioritize their safety and that of their loved ones by wearing helmets. Moreover, those who had already taken the responsible step of wearing helmets were rewarded with chocolates as a token of appreciation. This approach helped engage the community and create a positive impact on those traveling along the road. The event proved to be invaluable, offering crucial insights on road safety rules and practices to both the students of KSRM College and the residents of the adopted village, Kopparthy, who actively participated in this endeavor.

Brief report on activity	On the 4th of June, 2022, at 3:30 PM, the NSS (National Service Scheme) team orchestrated a remarkable Swachh Campus campaign, in perfect alignment with the vision of World Environment Day. This event was a testament to the power of collective effort in promoting a cleaner and greener environment. The enthusiastic participation of both students and staff members lent this campaign its true essence. The event also saw a symbolic act of reparation for the environment, as trees were planted in an effort to replenish the green cover. This gesture stood as a testament to the commitment of the participants to the cause of environmental preservation. Furthermore, the participants collectively took a pledge to integrate regular cleaning activities into their routine. This pledge was not just confined to the campus or village, but extended to their individual lives, fostering a culture of cleanliness and hygiene. s
