ACTIVITY REPORT

Name of activity	**Global Handwashing Day**

Date	15.10.2020	**Time:**	10.00 AM to 12.00 P.M		
Brief report on activity	The College NSS unit orchestrated an awareness program to commemorate Global Handwashing Day. The event commenced with addresses from prominent figures such as College Correspondent K. Sivananda Reddy garu and Secretary K. Chandra Obula Reddy garu. Their opening remarks set the stage for the session, underscoring the vital importance of handwashing in upholding hygiene standards.The NSS coordinator then elucidated key facets of effective handwashing, covering essential details like optimal duration, soap usage, and the precise sequence of steps. This information served as a cornerstone for the subsequent activities.A pivotal segment of the event featured a practical demonstration by the NSS volunteers. Through this visual representation, attendees were guided through the correct technique of handwashing, leaving a lasting impression on the proper procedure.After the demonstration, students were encouraged to put theory into practice. They diligently replicated the demonstrated handwashing regimen, internalizing the protocol. This experiential exercise fostered an understanding of the pivotal role that meticulous handwashing plays in safeguarding hygiene and curtailing the dissemination of germs.Integral to the event's impact was the endeavor to sensitize villagers about the significance of handwashing. This outreach aimed to propagate sound hygiene practices throughout the local community, ensuring the event's influence extended well beyond the confines of the college campus.In summation, the College NSS unit's awareness program for Global Handwashing Day triumphantly conveyed the art of proper handwashing while galvanizing a culture of hygiene-consciousness among students and the broader village populace.

Brief report on activity	On November 14, 2020, at 10 am, the College NSS unit orchestrated a series of events on our college premises to mark World Diabetes Day. The focus of the events revolved around diabetes and its associated complications. The highlight of the occasion was an elocution competition in which participants engaged in insightful discussions about the challenges posed by diabetes.Subsequently, a range of medical examinations were administered to our esteemed faculty members. The purpose behind these examinations was to foster a culture of regular diabetic checkups, underlining the importance of early detection and effective management. Impressively, the event reached beyond the confines of our college, as individuals from neighboring villages actively took part in the diabetes checkup initiative.The conclusion of the event was graced by K. Rajeswari garu, our respected correspondent, who presided over the prize distribution ceremony. Her words resonated with the audience as she underscored the significance of cultivating a health-conscious lifestyle. Emphasizing balanced dietary choices and consistent physical activity, she shared pivotal insights into diabetes prevention and management.

ACTIVITY REPORT

Name of activity	World Toilet Day				
Organizers	KSRMCE-NSS CELL				
Venue	College campus	**No. of participants :**	Faculty 4	Others 8	Students 63
Date	19.11.2020	**Time:**	10.00 AM to 12.00 PM		
Brief report on activity	On November 19, 2020, the College National Service Scheme (NSS) unit took a proactive step in observing World Toilet Day by organizing an awareness program and campaign in a neighboring village. This initiative aimed to emphasize the importance of sanitation and hygiene, particularly in the context of toilet facilities.Within the college campus, several activities were carried out to promote awareness on sanitation and hygiene. Essay writing and elocution competitions were organized to engage students and encourage them to express their thoughts on the subject. These activities served as a platform for students to showcase their knowledge and insights about the significance of maintaining cleanliness and hygiene.Subsequently, the NSS unit visited Krishnapuram village with a mission to educate and sensitize the local community, particularly the elders, about the purpose of their visit. The team gathered the villagers in a central location to ensure effective communication. During this interaction, the NSS members conducted a comprehensive awareness session focusing on the importance of sanitation and hygiene practices. They highlighted the potential consequences of unhygienic toilet usage, underscoring the negative impacts on health and the environment that could arise from such practices.The session in Krishnapuram village aimed to not only raise awareness but also educate the villagers about the proper and hygienic usage of toilets. By explaining the potential harms associated with improper sanitation, the NSS team sought to encourage behavioral changes among the villagers.Upon returning to the college after the village campaign, an awards ceremony was held to recognize the achievements of the participants in the essay writing and elocution competitions. This gesture aimed to acknowledge the efforts of those who actively contributed to promoting the message of sanitation and hygiene. Additionally, the dedicated volunteers who played a significant role in organizing and executing the campaign were also recognized and rewarded.The awards were distributed by K. Rajeswaramma garu, the correspondent of the college. This highlighted the institution's commitment to the cause and demonstrated the importance of their involvement in such initiatives.In summary, the College NSS unit's efforts on World Toilet Day in 2020 reflect their dedication to raising awareness about sanitation and hygiene. By conducting competitions, organizing village				

	campaigns, and recognizing active participants, they effectively conveyed the importance of proper sanitation practices to both the college community and the neighboring village.

Brief report on activity	On National Voters Day, the NSS coordinator, Sri Suresh Babu, and the Dean of Student Affairs, Sri M. Baskar Reddy, joined forces with enthusiastic NSS volunteers to partake in the pledge ceremony. During this event, the NSS coordinator stressed the foundational significance of the right to vote, urging students to ensure their names were included in the voter list.The incorporation of group discussions proved to be an effective strategy in helping students grasp the essential role they play in the democratic process. These deliberations underscored that casting a vote equates to active participation in shaping the nation's destiny. By electing leaders who mirror their values, citizens collectively advocate for their shared interests.Taking their commitment a step further, we ventured into surrounding villages, imparting knowledge about the voting process and its intricacies. The event culminated with the principal lauding the students for their enthusiastic involvement and distributing prizes to recognize outstanding contributions. This comprehensive initiative not only celebrated National Voters Day but also empowered students to embody responsible and well-informed citizenship.

Brief report on activity	On January 26, 2021, the College NSS unit enthusiastically marked Republic Day with a series of meaningful activities. The event commenced with students marching from the college entrance, forming a disciplined formation on the college grounds. The focal point of the celebration was the enlightening address by our dynamic and youthful Managing Director, Dr. K. Chandra Obul Reddy Garu. His speech resonated with the theme of the program, filling the entire expanse with an undeniable spirit of "purna swaraj," reflecting complete self-rule and sovereignty.Following this impactful speech, a significant moment took center stage as Dr. K. Chandra Obul Reddy Garu hoisted the tricolor flag, symbolizing the essence of the day. With unity in diversity, the collective voices merged as the national anthem echoed through the surroundings, epitomizing patriotism and unity.Expanding the celebration's impact, we extended our invitation to the young members of neighboring villages. Children from these communities were warmly welcomed to join in the flag hoisting ceremony, fostering a sense of camaraderie and a shared national identity. The event encapsulated the true spirit of Republic Day, underscoring the core values of independence, unity, and pride that the day represents.
