Short Information of the reason to celebrate the event.	**PLANTATION DAY:** The National Festival of Trees Planting (Van Mahotsav) in India is held annually from July 1 to July 7. As a part of Van Mahotsav celebrations throughout the country. Speaking on the occasion, that observance of this festival has an educational purpose. As people learn to appreciate the great benefits that trees provide us - clean air, wildlife habitat, reducing energy demand and connecting with nature. Further to that the 'Van Mahotsav' festival of trees is a beautiful initiative to save the environment, to which we owe a lot. The motivation and gathering that every Indian should plant at least one tree during the festival.				
Brief report on activity:	United in purpose, the NSS Coordinators, faculties, students, and principal willingly convened to commence a program within the college campus. The students wholeheartedly undertook the task of excavating over 50 holes for the purpose of planting various types of trees. The faculties assumed a supervisory role, providing guidance to the students. Concurrently, the NSS Coordinators assisted teams in planting across different areas of the college grounds. Necessary tools were distributed for the task, accompanied by advice regarding personal safety during the work.				

	The Management and Heads of Departments at KSRMCE fervently encouraged all present to unite in safeguarding the environment through this modest contribution. Emphasizing the importance of preserving trees and the planet's beauty, they underscored the collective responsibility. The diligent NSS team meticulously recorded the attendance of all participants..

Name of Activity:	VANAM MANAM				
Organizers:	KSRMCE/NSS Cell				
Venue:	KSRMCE Auditorium and Campus, also Outside.	No. of Participants	Faculty	Student	Others
			5	160	16
Date:	29-07-2019	Time:	2 pm to 4 pm		
Brief report on activity:	The Andhra Pradesh government has started a project called Vanam Manam. This program's goal was to expand the state's green cover by at least 50%, which is a positive step forward in the state's growth as well as increasing greenery, which will help to decrease pollution and address other natural resource issues in cities. The Vanam Manam program's vision and mission were to improve forest cover development not just via government action but also by including individuals in the program so that progress could be made more quickly. They also encouraged people to plant seedlings in open spaces and educated them on the significance of green cover, prompting them to do so.				
Name of Activity:	The importance of Vanam Manam event is nothing but plantation. The plantation was done by the students under the guidance of KSRMCE faculties. NSS Coordinators assisted in the program with students. The principal admitted his views and thoughts on Vanam Manam to explain in the speech towards the attendees. The students have done the plantation event in the campus .The plantation has been completed deliberately. The speech ran for 10 minutes with related topics. Attendance taken from participants. The attendance sheet is enclosed with this report for the view. The pupil was amazed and celebrated very happily till the end of the task. The faculties tackled the students very well smoothly.

Brief report on activity:	International Youth Day is observed annually on August 12th. It is meant as an opportunity for governments and others to draw attention to youth issues worldwide. During IYD, concerts, workshops, cultural events, and meetings involving national and local government officials and youth organizations take place around the world. IYD was designated by the United Nations in 1999. International Youth Day's Slogan for 2014 was Youth and Mental Health. For 2015, it was Youth and Civic Engagement. The theme of the 2016 International Youth Day was "The Road to 2030: Eradicating Poverty and Achieving Sustainable Consumption and Production. The theme of IYD is "Youth Building Peace". The theme for IYD 2018 was "Safe Spaces for Youth". In this way it will go on which recognizes the contributions of young people to preventing conflict, supporting inclusion, social justice, and sustain peace. for 2019, the theme of IYD was "Transforming education" to make education inclusive and accessible for all youth.				
Brief report on activity:	The motto and theme of International Youth Day were eloquently elucidated by our esteemed principal, Mr. V.S.S. Murthy, during his address at the auditorium. The occasion saw the enthusiastic participation and celebration by the present students from various academic disciplines. The event left an indelible impact, with its multifaceted joyful moments creating an overwhelmingly positive atmosphere.As the event concluded, the meticulous NSS Coordinators efficiently recorded the attendance of the entire audience, underscoring their commitment to the task.As the event concluded, the meticulous NSS

Short Information of the reason to celebrate the event.	Our nation will celebrate Sadbhavana Diwas 2022 to commemorate Rajiv Gandhi's birth anniversary this year. As a mark of respect to the late former Prime Minister Rajiv Gandhi, India observes Sadbhavana Diwas on August 20 every year. In 1992, a year after Rajiv Gandhi's death. Sadbhavana Diwas day is celebrated to promote national unity, peace, empathy, and communal harmony amid Indians of all faiths. In English, 'Sadbhavana' translates to 'goodwill.' Sadbhavana Diwas' key theme is to encourage national unity and social goodwill across people of various faiths and cultures. In honor of his birth anniversary, close family members of Rajiv Gandhi and senior Congress officials pay tributes to him. They lay wreaths on Veer Bhoomi, the site where he was cremated. On Sadbhavana Diwas in India, numerous cultural events and contests are held across states. Sadhbhavna Diwas is also related to the maintenance of greenery, beauty of nature, environmental protection, and biodiversity conservation. The main goal of many events on Sadbhavana Diwas is to promote consciousness among citizens about these critical environmental challenges. Planting saplings is also proposed on this day.				
Brief report on activity:	All the staff and students of KSRMCE from the entire branches attended the event at auditorium to watch the video shows of Rajiv Gandhi. The huge photo displayed to pay attention, mourning, garlanding and devotions. The principal and NSS Coordinators organized the carnival grandly. Mr. Durga prasad took attendance and signatures on the attendance sheet from all attendees.

ACTIVITY REPORT

Name of Activity:	**OLD AGE HOME VISIT**				
Organizers:	KSRMCE/NSS Cell.				
Venue:	Old Age Home at Kadapa.	No. of Participants	Faculty	Student	Others
			6	122	13
Date:	21-08-2019	Time:	2 pm to 4 pm		
Short Information of the reason to celebrate the event.	When the beings of 21st century plans to be part of the materialistic society by finding a way to compete with themselves on a new year eve, Helping and planned to give back to the society by celebrating the last few hours of 2019 with the needy of staff (sisters) and name of the Old Age Home (grandmas and grandpas) as we feel that the best way to find ourselves is to lose ourselves into the happiness of the needy. Indeed, those special moments of happiness, for those who live their lives in darkness, cannot be materialistically evaluated, however needs to be felt by being a reason for their moment and existence.				
Brief report on activity:	The NSS volunteers have actively visited the Old Age Home to watch and understand the situation and circumstances of them. The old age movements would be very critical and pathetic, it could impact everybody by tomorrow. We should avoid driving our parents/grandparents to such homes. The cited above info said by our respective Principal Dr. V.S.S. Murthy sir. Our visits included grocery donations, cake cutting, distribution of sweets, fruit, and happiness. People who donated stuff and volunteers were from KSRMCE's Management personnel, principal, faculties, students and office staff. Roll call was conducted by NSS Coordinator Mr. P. Durga Prasad and dispersed the attendees with due respect at the end of the program. Attendance recorded by respective NSS Coordinators of KSRMCE.

Short Information of the reason to celebrate the event.	• On August 29, 2019, the Honorable Prime Minister launched the FIT INDIA Movement, aiming to integrate fitness into our daily routines. The core objective of this movement is to instill behavioral changes that lead to a more physically active lifestyle. To fulfill this mission, Fit India has outlined several initiatives and events, driven by the following key goals: • • 1. **Promote Accessible Fitness**: Encouraging fitness by making it accessible, enjoyable, and free. • 2. **Raise Fitness Awareness**: Disseminating knowledge about fitness and diverse physical activities through targeted campaigns. • 3. **Champion Indigenous Sports**: Fostering support for traditional sports and games rooted in the country's culture. • 4. **Universal Fitness Outreach**: Ensuring that fitness becomes a part of every educational institution, village, and community. • 5. **Platform for Fitness**: Establishing a platform that allows Indian citizens to share information, increase awareness, and exchange personal fitness experiences. • • Through these goals, the FIT INDIA Movement strives to create a health-conscious society, inspiring individuals to embrace a more active and health-focused lifestyle.

Brief report on activity.	The NSS Coordinator and the team of coordinators engaged in discussions with the respective principal to organize exercise activities on the playground of KSRMCE in celebration of the FIT INDIA Movement on August 29th, involving both students and teachers. With the principal's approval secured, the NSS Team extended invitations, and all participants wholeheartedly and dutifully participated in the activities on the playground. For your consideration and future reference, a collection of photographs capturing the event has been enclosed with this report. The program was executed exceptionally well, exuding a sense of enthusiasm and enjoyment among the students who actively participated. The attendance of all participants was meticulously recorded by the NSS Coordinators.

<tr><td>Short Information of the reason to celebrate the event.</td><td colspan="5">National Traffic Awareness Month aims to shed light on the safety rules that can help prevent major or minor accidents from taking place. According to the World Health Organization (WHO), every year more than one million people become victims of fatal traffic accidents. The organization also reports that about 20 to 50 million people are injured in traffic-related incidents. The WHO and other agencies state that these statistics should be taken with a pinch of salt because these cases are only the ones that are reported and many other cases go unreported. Around 60% of accidents occur in just nine countries, which include India, China, Mexico, and Russia. Once a traffic accident occurs, the people involved can suffer from emotional, physical, social, and economical burdens. Having to take care of all these traumas can become difficult.</td></tr>
<tr><td>Brief report on activity:</td><td colspan="5">At approximately 2 pm, a gathering of management personnel, the principal, HODs, faculties, and students convened within the premises of the KSRMCE auditorium. During this assembly, Dr. V.S.S. Murthy, the principal, delivered a significant address emphasizing the importance of adhering to traffic safety regulations.: 1) take your license. 2) Wear a helmet 3) Fasten your seat belt, also ensure others 4) Follow traffic signals. 5) Follow road signages. 6) Watch pedestrians. 7) No Speeding, 8) Walk carefully on the sidewalks and only cross on the zebra crossing. 9) Never drink and drive. 10) Avoid Distractions 11) Maintain Lane discipline. 12) Be careful during adverse weather.13) Maintain a safe distance.14) No tension 15) Don't take medicine while driving. 16) No reckless driving. 17) No chasing 8) Don't operate, don't call on mobile when driving. ACTIVITY REPORT

Name of Activity:	**WASTE MANAGEMENT**				
Organizers:	KSRMCE/NSS Cell				
Venue:	KSRMCE Campus Area	No. of Participants	Faculty	Student	others
			5	162	10
Date:	11-09-2019	Time:	2 pm. To 4 pm.		
Short Information of the reason to celebrate the event.	Inadequate awareness and implementation of proper waste management can result in significant problems such as air, water, and soil pollution. Nonetheless, small adjustments in our daily routines can yield substantial positive impacts. To achieve this, a collective effort is required to effectively reduce waste through accurate segregation and classification. This can be accomplished using a color-coded bin system encompassing categories like yellow, blue, red, and black, signifying various materials such as plastic, wood, paper, metal, chemicals, kitchen waste, solid waste, and liquid waste. The principle of reuse is vital – everyday items should be reused whenever possible. For instance, adopting a carry kit when going shopping can significantly contribute to this endeavor. Additionally, recycling should be maximized to ensure items are repurposed instead of being discarded. The conclusion stresses the importance of public awareness regarding waste management issues. This awareness is key to understanding the potential repercussions of mishandling waste and its potential to endanger both lives and overall well-being.				
Brief report on activity:	With the endorsement of the Management and Principal, the waste management program was sanctioned to take place within the KSRMCE Campus vicinity. The NSS Coordinators orchestrated and supervised students in the comprehensive task of maintaining the cleanliness of the entire college campus. Both female and male students willingly participated, taking on responsibilities like removing undesirable weeds, papers, plastic covers, wooden fragments, and decaying leaves.				

	Faculty members were actively involved as well, overseeing and contributing to the disposal of waste from the premises. Attendance was diligently monitored and documented by the NSS Coordinators.

<tr><td>About NSS day</td><td colspan="5">The National Service Scheme (NSS) stands as a Central Sector Scheme under the aegis of the Government of India's Ministry of Youth Affairs & Sports. This initiative extends an avenue to student youth at both the 11th and 12th grade levels of +2 Board schools, as well as those in Technical Institutions, Graduate, and Post Graduate programs across colleges and universities in India. The NSS offers the opportunity to engage in a spectrum of government-initiated community service activities and programs.

With a core mission of furnishing practical, hands-on experiences to young learners, the NSS encourages them to actively participate in delivering valuable community service.</td></tr>
<tr><td>Brief report on activity.</td><td colspan="5">NSS Day is commemorated annually on the 24th of September. In honor of this occasion, the NSS Coordinators obtained official permission to orchestrate the event within the premises of KSRMCE. Dr. V.S.S. Murthy, the principal, emphasized the importance of a robust celebration for the event.

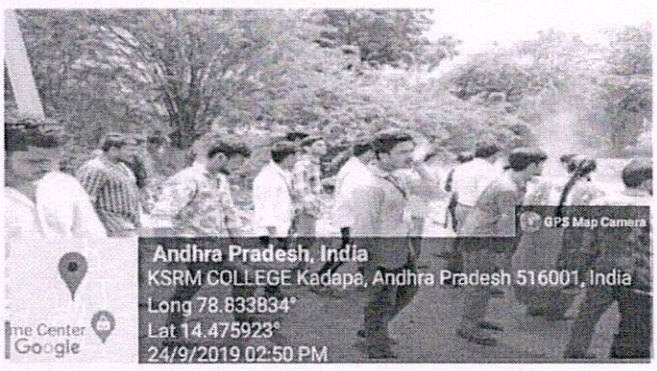

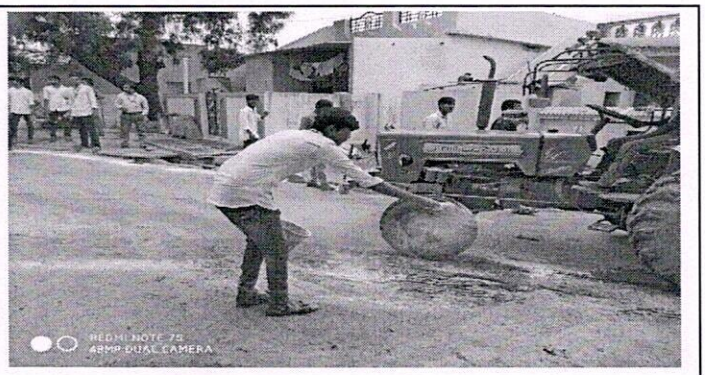

Under the guidance of Mr. P. Durga Prasad, the NSS Coordinators extended invitations to both faculties and students, all of whom marked their presence on the designated day. Before commencing the NSS activity, a brief awareness session was conducted by the NSS Coordinators.</td></tr>

Short Information of the reason to celebrate the event:	"In tribute to Mahatma Gandhi on his 150th birth anniversary in 2019, a clean India would be the most fitting honor," remarked Shri Narendra Modi as he inaugurated the Swachh Bharat Mission at Rajpath in New Delhi. On October 2, 2014, the Swachh Bharat Mission was initiated across the entire expanse of the country, heralded as a national endeavor. The objective of this initiative is to realize the vision of a 'Clean India' by October 2, 2019. The Swachh Bharat Abhiyan stands as the most substantial cleanliness campaign undertaken by the Government of India. Shri Narendra Modi spearheaded a cleanliness pledge at India Gate, which was embraced by around thirty lakh government employees nationwide. He further commenced a walkathon at Rajpath, astonishing participants by not only taking a symbolic few steps but actively marching alongside them for a considerable distance. In his role of leading this widespread drive for cleanliness, the Prime Minister urged people to fulfill Mahatma Gandhi's aspiration of a clean and sanitary India.				
Brief report on activity:	The NSS Unit's Coordinator, Mr. P. Durga Prasad, along with the team of Coordinators, extended an invitation to the esteemed Principal, Dr. V.S.S. Murthy, to partake in the Swachh Bharat Abhiyan celebration. The complete team of faculty members and students came together to predominantly inaugurate the event. Our principal accurately conveyed the aforementioned information during his speech at the auditorium.				

	Under the guidance of the NSS Coordinators, students engaged in activities such as housekeeping, sweeping, and clearing garbage in the college premises of KSRMCE, as well as in the neighboring village of Tadigotla.

ACTIVITY REPORT

Name of Activity:	**BLOOD DONATION**				
Organizers:	KSRMCE/NSS Cell				
Venue:	KSRMCE Campus	No. of Participants	Faculty: 5	Student: 75	Others: 8
Date:	18-10-2019	Time:	9 am to 4 pm		
Short Information of the reason to celebrate the event.	Donating blood to the people is a great help. The people who got deficiency of blood might need it urgently in case of bleeding, or accidents etc. Lack of blood or non-availability from the blood banks could impact on the public. So, the blood banks seek it by conducting blood donation campaigns through colleges and organizations. They collect and stack different blood groups of blood at their storage points. The accumulated blood could be utilized at the right time when the sufferers need it.				
Brief report on activity:	The medical team from BOGA PARVATHAMMA BLOOD BANK arrived punctually at the KSRMCE Campus, equipped with both medical apparatus and personal protective gear. The management, principal, Heads of Departments, faculties, and students enthusiastically united in this campaign. The medical professionals efficiently initiated the process of collecting blood from both students and faculties. The blood donation drive commenced at 9 am and concluded by 4 pm. Sequentially, volunteers stepped forward, contributing their blood to the Blood Bank. The proficient male and female nurses adeptly managed the procedure. A total of 5 faculties and 75 students participated in this initiative, demonstrating their earnest commitment. The NSS Coordinators effectively orchestrated the event, ensuring the smooth flow of activities and meticulously recording attendance from each donor..

Short Information of the reason to celebrate the event.	Every year, October 31 is marked as National Unity Day or Rashtriya Diwas in India to observe Sardar Vallabhbhai Patel's birth anniversary. Sardar Patel was popularly called the Iron Man of India. He contributed immensely to India's freedom movement and political integration after the country gained independence from British rule in 1947. The purpose of celebrating National Unity Day: The celebration of the birth anniversary of Sardar Patel makes everyone aware of the ideas of strength and diversity of religions, languages, cultures, and traditions of our nation.				
Brief report on activity:	The commencement of the gathering was led by the NSS Coordinator, extending a heartfelt welcome to all participants. Following this, the Principal shared a concise biography of the eminent figure, Shri Sardar Vallabhbhai Patel. In the course of the Principal's speech, the significance and pertinence of Sardar Vallabhbhai Patel in contemporary India were highlighted. Stirring patriotic melodies were performed by the students, evoking a sense of national pride. The event culminated with every attendee solemnly taking the Unity Pledge, signifying a commitment to solidarity. .

Short Information about the reason of celebration:	Mr. Salim Moizuddin Abdul Ali (12-11-1896 - 20-06-1987) was an Indian ornithologist and naturalist. Sometimes referred to as the "Birdman of India". Salim Ali was the first Indian to conduct systematic bird surveys across India and wrote several bird books that popularized ornithology in India. National Bird Day is celebrated every year on 12th November across the country. National Bird Day was declared by the Government of India on the occasion of the birth anniversary of Dr. Salim Ali, India's famous Ornithologist.				
Brief report on activity:	The NSS Coordinator Mr. Durga Prasad and the team of NSS Coordinators welcomed the respective Management, and respected Principal Dr. V.S.S. Murthy to join and give the speech on the relevant topic of the celebration. The faculties and students participated to celebrate the event grandly. The speech ran for 15 minutes by the Principal, and it is excellently delivered about the event towards all. The video shows about different kinds of birds in KSRMCE Auditorium to the attendees. The faculties and pupils were driven by the NSS Coordinator towards college grounds to show the local birds like parrots, sparrows, crows, etc., The event started at 2 pm and ended at 4 pm. The pupil and others enjoyed enthusiastically and dispersed at the end amicably. Attendance taken and recorded by the NSS Coordinators.

Short Information of the reason to celebrate the event	November 23, 2019, witnessed the celebration of Rivers Day, dedicated to honoring and raising awareness about the importance of rivers. While the term 'River' typically evokes images of flowing water bodies, it has also taken on a somewhat unique identity as a name for individuals. The name 'River' has gained prominence in recent times, becoming increasingly popular. Annually observed, Rivers Day aims to enhance public understanding regarding the significance of rivers and promote their conservation. This occasion is dedicated to celebrating the intricate network of waterways that crisscross the Earth, emphasizing their vital role in the natural world.				
Brief report on rivers day activity:	The NSS Coordinators and the Principal convened at the auditorium of KSRMCE to deliver speeches in honor of Rivers Day. Faculties and students assembled at the auditorium to partake in the event, which included a video presentation showcasing various rivers and a speech by the principal. During the presentation, the video shed light on the significance of major rivers such as the Indus, Brahmaputra, Ganga, Godavari, and Narmada, outlining their contributions to agriculture, drinking water, and more. Noteworthy rivers like the Aryan, which holds the title of being the shortest river in India, were also featured. Mention was made of the Umngot river in Dawki village, Meghalaya, acclaimed as the purest and cleanest river in India, stretching 96 km from Shillong. Conversely, the Brahmaputra was highlighted as the deepest river, while the Damodar river, flowing from				

	West Bengal to Jharkhand, earned the reputation as the most polluted due to the waste discharged into it by industries situated along its banks. The speech concluded by encapsulating the information aforementioned. Attendees were accounted for by the NSS Coordinators, and the records were appended to the report, stored for future reference and any potential inquiries.

ACTIVITY REPORT

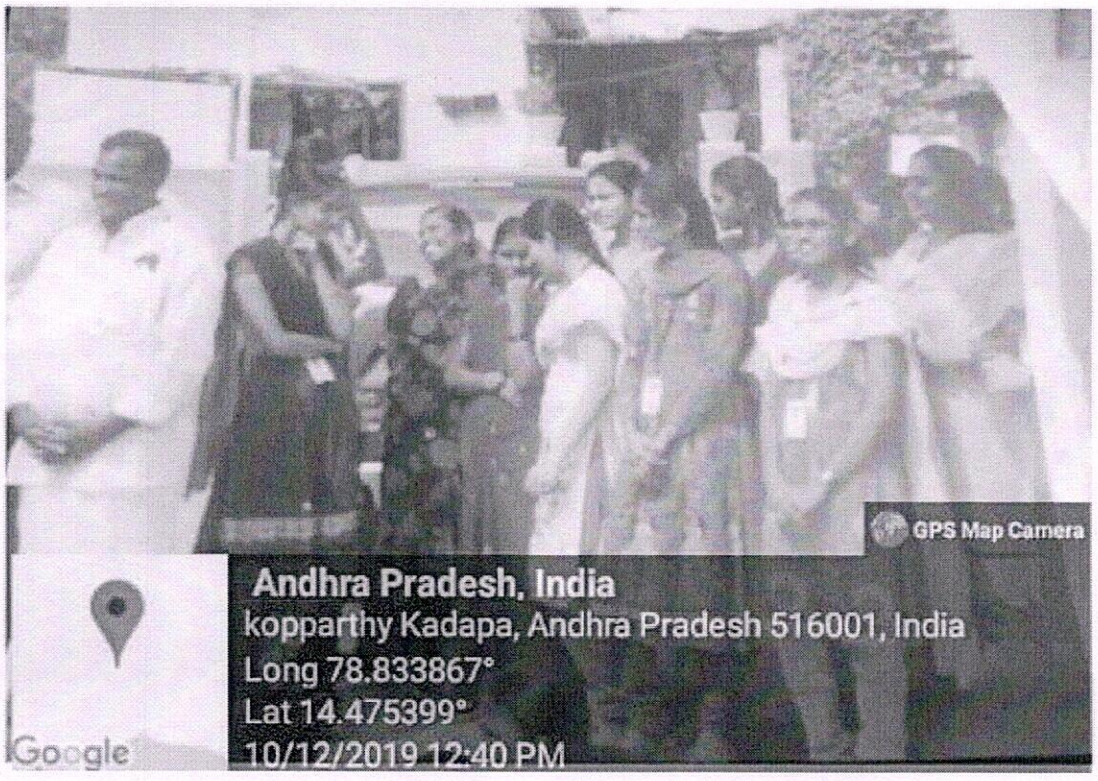

Name of Activity:	**HUMAN RIGHTS DAY**				
Organizers:	KSRMCE/NSS Cell				
Venue:	KSRMCE Auditorium	No. of Participants	Faculty	Student	others
			5	155	10
Date:	10-12-2019	Time:	12 pm to 13 pm		
Short Information of the reason to celebrate the event.	Every year, on December 10th, Human Rights Day is observed worldwide. This date was selected to pay homage to the United Nations General Assembly's adoption and announcement of the Universal Declaration of Human Rights (UDHR) on December 10, 1948. This declaration holds the distinction of being the inaugural international articulation of human rights and stands as one of the primary early accomplishments of the newly formed United Nations. The official establishment of Human Rights Day took place during the 317th Plenary Meeting of the General Assembly on December 4, 1950. During this session, the General Assembly ratified resolution 423 (V), extending an invitation to all member states and other interested organizations to commemorate the day as they deemed suitable. This pivotal event also initiated the global acknowledgment and implementation of these principles across all nations, with a commitment to fostering peace and compassion.				
Brief report on activity:	At 11:50 am, the Management, Principal, Heads of Departments, Faculty, and Students from various engineering branches convened at KSRMCE's Auditorium. Our principal took the stage to deliver a speech on human rights, addressing crucial aspects such as the right to life and liberty, freedom from slavery and torture, freedom of expression and opinion, the right to education and work, and many others. These rights are universally applicable without any form of discrimination. Several faculty members				

	and students also contributed to the discourse, presenting diverse perspectives on different aspects of human rights with fresh insights. The NSS Coordinators effectively organized the event, ensuring its smooth execution, and maintained attendance records of the attendees.

ACTIVITY REPORT

Name of Activity:	**NATIONAL YOUTH DAY**				
Organizers:	KSRMCE/NSS Cell				
Venue:	KSRMCE Auditorium	No. of Participants	Faculty: 4	Student: 158	others: 20
Date:	12-01-2020	Time:	2 pm to 4 pm		
Short Information of the reason to celebrate the event.	In 1984, the Government of India took the significant step of designating January 12, the birthday of the revered Swami Vivekananda, as National Youth Day, to be observed annually. The government's rationale behind this decision was grounded in recognizing Swamiji's philosophy and the principles he upheld as a wellspring of motivation for the youth of the nation. Swami Vivekananda's profound ideals continue to be a source of inspiration for the youth of India. His ideas resonate even more strongly in today's context, as he embodied the boundless energy and unrelenting pursuit of truth that characterizes the youth. The declaration of January 12 as National Youth Day aligns perfectly with his spirit and vision. It is incumbent upon us to rekindle the timeless message of this distinguished patriot and devoted son of India, ensuring that Swami Vivekananda's legacy lives on and continues to guide the nation's youth.				
Brief report on activity:	The great day is celebrated in the presence of KSRMCE management, faculties and students at the auditorium with swamy Vivekananda's photo. The video movie of his previous records watched by all on the screen and excited about the event. The attendance took by NSS Coordinators from all the students and faculties. The Management and HODs delivered short speech about Swamy Vivekananda.

Date:	22-01-2020	Time:	2 pm to 4 pm		
Short Information of the reason to celebrate the event.	Prime Minister Narendra Modi inaugurated the Beti Bachao Beti Padhao (Protect Daughter, Educate Daughter) Scheme in January 2015. The initiative was devised to combat the issues of sex-selective abortion and the decreasing child sex ratio. Currently, this program is being executed in 405 districts across the nation.				
Brief report on activity:	The Principal of KSRMCE personally urged all faculty and students to actively participate in the BETI BACHAO BETI PADHAO celebration. The NSS Coordinators emphasized the mandatory nature of attendance to all students. Both male and female engineering students from various branches dutifully adhered to this call and attended the event with earnestness. The festivities took place punctually and joyfully within the auditorium of KSRMCE. The event comprised lectures and explanations, which extended until the final moments. It was executed with immense success, and the participants displayed a shared enthusiasm for the core message, committing to upholding its significance steadfastly. The NSS Coordinators diligently recorded attendance and collected signatures from the attendees.

Short Information of the reason to celebrate the event.	The National Girl Child Day is celebrated in India every year on January 24. It was initiated in 2008 by the Ministry of Women and Child Development and the government of India to spread public awareness about inequities that girls face in Indian society. Since ancient India the women struggled a lot due to lack of equality. Hence, the Ministry took a huge step to protect and save the girl child in the year of 2008. **Empowering girls for a brighter tomorrow.**				
Brief report on activity:	The NSS Coordinator welcomed the management, Principal, HODs, Professors in the Auditorium of KSRMCE, and the speech ran for 15 minutes. The Pupil and Faculties moved towards the primary school which is located nearby KSRMCE to celebrate the program. The young students from the primary school delighted in a day filled with nourishing meals thoughtfully provided by our administration.The students of KSRMCE have spread awareness to the villagers around. The educators diligently looked after the girls, expressing their gratitude to the management of KSRMCE. The NSS Coordinators efficiently collected attendance records from all the participants.

ACTIVITY REPORT

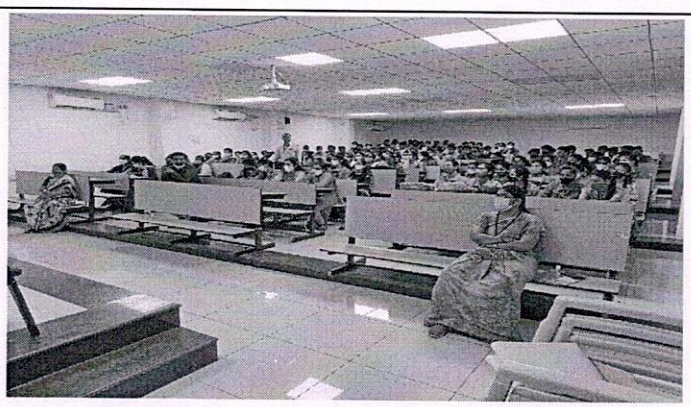

Name of Activity:	**VOTERS DAY**				
Organizers:	KSRNCE/NSS Cell.				
Venue:	KSRMCE Auditorium and college premises.	No. of Participants	Faculty	Student	others
			6	151	16
Date:	25-01-2020	Time:	12 pm to 1 pm		
Short Information of the reason to celebrate the event.	On January 25, 2019, the nation will commemorate the 9th National Voters' Day at over 600,000 locations, encompassing approximately 1 million Polling Stations nationwide. The event will entail the recognition and distribution of Elector Photo Identity Cards (EPIC) to new voters. Since 2011, National Voters' Day (NVD) has been observed annually on January 25 across the country. This date holds significance as it marks the establishment of the Election Commission of India in 1950. NVD's primary objective is to stimulate, facilitate, and optimize voter enrollment, particularly among new voters. Serving as a tribute to the electorate, the day is employed to raise awareness among voters, encouraging them to actively engage in the electoral process with well-informed participation.				
Brief report on activity:	The NSS Coordinator, along with the team of Coordinators, extended an invitation to the Management and Principal to partake in the celebration of the event. The students and faculty warmly welcomed the management and principal with great enthusiasm. During the event, the Principal and several participating students delivered speeches, touching upon the significance of voting, its associated values, ethics, and benefits. The attendance of all participants was duly recorded.

Short Information of the reason to celebrate the event.	Every year, on February 2nd, World Wetlands Day is globally observed. This occasion serves as a platform to enhance worldwide understanding of the essential significance of wetlands for both humanity and the environment. It also commemorates the adoption of the Convention on Wetlands on February 2, 1971, in Ramsar, Iran. The theme for this year's World Wetlands Day is "Wetlands Action for People and Nature," spotlighting the crucial actions required to safeguard and responsibly utilize wetlands, contributing to the well-being of both people and the planet.				
Brief report on activity:	Mr. Durga Prasad, the NSS Coordinator, along with the assigned coordinators, welcomed the management and Principal to the college's Auditorium for the inauguration of Wetlands Day. The students were already seated, ready to view a video presentation showcasing various aquatic locations such as ponds, lakes, pools, and dams. Following a verbal explanation by our management and principal about the event, the screen show commenced. The operator executed their role, and a hushed silence enveloped the attendees as they watched attentively. Subsequently, the entire group proceeded to a local pond to conduct observations. The NSS Coordinators meticulously recorded attendance details from all participants.

ACTIVITY REPORT

Name of Activity:	**ORGANIC FARMING**			
Organizers:	KSRMCE/NSS Cell			
Venue:	KSRMCE Auditorium	No. of Participants	Faculty	Student
			6	158
Date:	02-03-2020	Time:	2 pm to 4 pm	
Short Information of the reason to celebrate the event.	Organic farming in India is an agricultural process, uses pest control derived from organic manure and animal or plant waste. This farming started to respond to the environmental suffering caused by chemical pesticides and synthetic fertilizers. It is a new system of agriculture that repairs, maintains, and improves the ecological balance. Organic farming uses organic inputs, green manures, cow dung, etc. Organic agriculture grows and develops with these principles. These can contribute to improving organic agriculture for the world. There are four principles of organic farming are as follow: - Principles of Health – The health of the ecosystem, people, and communities. The Principles of Ecology – The right balance between ecosystem and environment or nature. Principles of Fairness – Good human relationships and quality of life. Principles of Care – The considerations about the environment and environment of the future. In India, approx. 2.8-million-hectare area is covered by organic agriculture. Some major organic products grown in India are oilseeds, tea, coffee, dried fruits, millets, cereals, spices, etc. These products are highly produced in India and exported by India.			
Brief report on activity:	The management, principal, faculties and students engaged at the Auditorium of KSRMCE around 2 pm. They have been informed by NSS Coordinator Mr. P. Durga Prasad, to celebrate the event. All the attendees signed in the sheet and the program stipulated to show video picture of			

	Organic Farming and then all urged to the fields which found back yards of the college. They have seen the green fields etc., visually & naturally.

Short Information of the reason to celebrate the event.	Gujarath government has launched Poshan Abhiyan to eradicate malnutrition in 2018. "Poshan Abhiyan" is a statewide mission to eradicate malnutrition among children by providing them nutritious food through Anganwadi centers. POSHAN ABHIYAN started on 8th March, 2018. It was launched by Hon'ble Prime Minister on 8th March, 2018 in Jhunjhunu district of Rajasthan. The focus of Abhiyan is to lay emphasis on nutritional status of adolescent girls, pregnant women, lactating mothers and children from 0-6 to years age.			
Brief report on activity:	NSS Coordinator, Mr. P. Durga Prasad granted by the principal of KSRMCE to inaugurate the Poshan Abhiyan program. Hence the NSS Coordinators joined and enumerated the event to celebrate punctually at the auditorium with video picture and verbal preaches. The attendance record took by the crew of NSS with each participant. The general common speeches started on the topic by various faculty members. The pupil listened till the end fascinatingly. The principal appreciated them, finally the event stood unremarkable. The NSS crew obtained the attendance from all students and faculties.

ACTIVITY REPORT

Name of Activity:	**WALK DAY**

Date:	01-04-2020	Time:	3 pm to 4 pm		
Brief report on activity:	In 2007, the American Heart Association introduced National Walking Day as a part of its efforts to promote a healthy lifestyle. This event takes place every first Wednesday of April and encourages people of all ages to step outside and engage in physical activity. By donning your sneakers (or bringing them along) to work, the aim is to incorporate a 30-minute brisk or leisurely walk into your day, tailored to your individual age and fitness level. Sponsored by the American Heart Association, this initiative serves as a reminder of the numerous health advantages associated with taking a walk. To maximize the enjoyment of this 30-minute activity, consider the following suggestions: 1. Opt for comfortable attire to enhance your walking experience. 2. Invite a companion along to make the time more enjoyable. 3. Prioritize muscle stretching before embarking on your walk. 4. Stay well-hydrated by drinking an ample amount of water. 5. Involve your arms in the walking motion for added engagement. 6. Maintain good posture throughout your walk to support your body.				

	Allocate just half an hour of your day to embark on a walking session. Explore nearby trails or stroll around your community, and don't forget the option of visiting a local park or using a treadmill. Including your furry friends in the activity is also encouraged, as they too can benefit from the cardiovascular workout.
Name of Activity:	Faculty members and students from various disciplines enthusiastically took part in the designated walk event, punctually adhering to the schedule. The brisk walk commenced promptly as planned and concluded with full compliance. All participants signed the attendance sheet, which was subsequently submitted to the NSS Coordinator for record keeping. Addressing the gathering, the principal encouraged the students to make walking a daily habit, whether at home, on the school grounds, designated pathways, or local parks. Emphasizing the importance of consistency, he urged them to actively maintain their walking routine without interruptions. He elaborated on the numerous benefits of regular walking, highlighting its role in maintaining good health and overall well-being. These activities unfolded within the premises of KSRMCE, specifically on the playground.

ACTIVITY REPORT

Name of Activity:	**BIODIVERSITY DAY**			
Organizers:	KSRMCE/NSS Cell.			
Venue:	KSRMCE Auditorium.	No. of Participants	Faculty: 4	Student: 154
Date:	22-05-2020	Time:	12 pm t0 1.00 pm	
Short Information of the reason to celebrate the event.	Biodiversity loss is caused by five primary drivers: habitat loss, invasive species, overexploitation, extreme hunting and fishing pressure, pollution, climate change associated with global warming in each case, human beings and their activities play direct roles. Levels of biodiversity: Biodiversity is usually explored at three levels – genetic diversity, species diversity and ecosystem diversity. These three levels work together to create the complexity of life on Earth Biodiversity is essential for the processes that support all life on Earth, including humans. Without a wide range of animals, plants and microorganisms, we cannot have the healthy ecosystems that we rely on to provide us with the air we breathe and the food we eat. The people also value nature of itself.			
Brief report on the activity.	To celebrate the event Biodiversity, the principal, faculties and students attended with keen interest at the auditorium of KSRMCE. The video show displayed on the screen to explain what is exactly biodiversity. All the attendees signed in the attendance sheet and followed to watch the show. The principal narrated the matter in detail and given awareness orally after the video ends. A result of the UN General Assembly recognizing a set of guidelines to protect biodiversity and act on the activities that threaten it, **International Day of Biodiversity is celebrated on May 22nd on every year across the countries.**

Short Information of the reason to celebrate the event:	Mr. P. Durga Prasad extended a cordial invitation to the management, principal, faculty members, and students to partake in a grand celebration of Environment Day at our college's Auditorium. The festivities commenced precisely at 12 pm in the presence of the aforementioned participants, with attendance duly noted. During the event, the principal delivered a comprehensive speech, delving into the core theme of the occasion. The speech spanned 15 minutes and expounded upon the topic at hand: "How to Contribute to Environmental Conservation." Several key points were highlighted, serving as actionable steps to save the environment: 1. **Practice the 3 Rs**: Embrace the principles of "Reduce, Reuse, Recycle" to minimize waste generation. 2. **Engage in Cleanup Efforts**: Volunteer for cleanup activities to keep our surroundings clean and litter-free. 3. **Promote Education**: Educate others about the importance of environmental preservation. 4. **Water Conservation**: Take measures to conserve water, a precious resource.				

	5. **Choose Sustainable Options**: Opt for sustainable products and practices to lessen environmental impact. 6. **Make Informed Purchases**: Shop wisely, considering the environmental impact of your choices. 7. **Opt for Energy Efficiency**: Utilize long-lasting light bulbs to reduce energy consumption. 8. **Plant Trees**: Contribute to afforestation efforts by planting trees. This gathering served as an important platform to underscore the significance of environmental protection and offer practical methods for individuals to contribute positively.
Brief report on activity:	At the request of the NSS Coordinator, Dr. V.S.S. Murthy, the principal of the college, participated in and led Yoga Asanas practice as part of the event. This inclusive celebration involved faculties and students from various engineering branches. The Yoga Asanas session was held on June 22nd, 2020, strategically chosen as it fell on a Sunday, a day off for the college. The principal's punctual arrival and the enthusiastic participation of all attendees contributed to the success of the program. Guiding the session was Dr. Venkata Ramana, assuming the role of the Yoga Guru. He offered insights into the significance of Yoga and its asanas. Yoga, a practice revered by Indian sages since ancient times, is renowned for establishing a profound connection between the body and mind. It encompasses exercises that encompass diet, breathing, and physical postures, fostering relaxation for both the body and mind. All participants, including faculties and students, actively engaged in the asanas within the community hall of KSRMCE. The event concluded with the NSS coordinators recording attendance.
