2. The Second Party, K.S.R.M. COLLEGE OF ENGINEERING, Autonomous, Kadapa with registered Office at Yerramasupalli (V), C.K.Dinne (M), Kadapa-516 005, Andhra Pradesh, India hereinafter referred to as "KSRMCE", Represented by Prof. V.S.S. Murthy, Principal.

in consideration of the mutual covenants set forth in this MOU, the sufficiency of which each of the Parties acknowledges, the Parties hereby agree as follows:

WHEREAS IUCEE is a Non-profit organization registered in India providing educational solutions, assistance, materials and certain related services for improving the quality of engineering education.

WHEREAS KSRMCE is a leading college in Andhra Pradesh, India.

WHEREAS IUCEE and the Institution have a mutual desire to conduct certain activities for individual benefits under this MoU.

WHEREAS the IUCEE and Institution has synergy in terms of educational initiatives and for mutual benefit, they agree to the terms and conditions set forth in this MoU.

WHEREAS INCONSIDERATION OF THE MUTUAL COVENANTS HEREIN CONTAINED THE PARTIES AGREE AS FOLLOWS

1. DEFINITION

- a. "Work Products" includes but not restricted to (i) Data and content related to engineering education that results in end products like e-book (ii) Courses created by IUCEE employees by themselves or jointly with others individuals or entities (iii) Software Programs developed by third party (ies) under IUCEE guidance (iv) IUCEE funded programs & projects (vi) Faculty Development Programs developed by IUCEE or in collaboration with other entities or (vii) Mini courses offered to IUCEE by International Experts.
- b. "Confidential information" means any and all non-public information, including business and technical information, of any form, without limitation, the proprietary information, techniques, schematics, designs, contracts, financial information, sales

and marketing plans, business plans, business affairs, operations, strategies, inventions, methodologies, technologies, employees, subcontractors, pricing, methods of operations, procedures, products and/or services.

2. SCOPE OF MOU

The vision of IUCEE is to improve the quality and global relevance of engineering education in India and under this MoU, IUCEE agrees to collaborate with the institution with help of panel of experts and advisors and extend support in terms of student and faculty development trainings in order to assist Institutions in multiple ways to improve quality of education as well as practices and procedures.

3. OBLIGATIONS OF IUCEE

IUCEE, under this MOU agrees to provide to the Institution:

ALL Administrators, Faculty and Students of Institutional Members Benefit from these.

FREE Access to:

- Strategic Initiatives relevant to NEP 2020, NIRF, NBA, Entrepreneurship, Faculty Internships, Teaching and Learning, Leadership Facilitation and Global Connect for Collaborations
- Projects, Competitions and Courses for Students
- Webinars and online workshops by global experts and corporate sponsors on innovations in teaching, learning and research, emerging technologies and use of latest tools.
- IUCEE Collaboration Groups coordinated by Global Industry Advisory Forum (GIAF) on various topics relevant to employability skills, teaching and learning, outcome-based education, project-based learning, engineering education research and entrepreneurship.
- Recordings of all webinars conducted since 2010.
- Mentoring by Member Relationship Coordinator
- Newsletters and Announcements

- 4 faculty leaders participate for FREE in IIEECP Certification Program, annually
- 60 student leaders participate in MiniCourses by global experts, annually

50% or greater discount on fees for

- International Engineering Educator Certification Program (IIEECP), offered in collaboration with International Society for Engg. Education IGIP Austria.
- Membership of EPICS Partnership for Project Based Learning and Design Thinking in partnership with Purdue University.
- Faculty Empowerment Courses such as Research Methods and Clean and Green Campus
- Annual International Conferences on Transformations in Engineering Education (ICTIEE).

- Annual Leadership Summits in Goa, during which industry facilitators work with IUCEE institutional leaders on strategic planning and quality improvement initiatives.
- New strategic initiatives such as the Mini Symposium on Problem and Project Based Learning and Teaching and Learning.

Discounted registration fees at events organized by International Federation for Engg. Education Societies IFEES and Global Engineering Deans Council GEDC.

Connections with over 100 global experts who can provide:

- a. Short workshops or courses for faculty and/or students when travelling to India.
- b. Guest presentations at International Conferences.
- c. Guidance on preparation for Outcomes Based Education
- d. Guidance on Improving Academic Curriculum in existing programmes or for starting new programmes
- e. Facilitation of collaborations with US colleges including visits to US universities, MOUs, Centers of Excellence, twinning programs, faculty and student exchanges.

4. IUCEE MEMBERSHIP FEE

Annual Consortium Membership fees payable by the Institution to the IUCEE are Rs. 75,000. The annual membership fee includes applicable GST. The fee shall be paid by online payment portal.

5. TERM AND TERMINATION

Term of this MoU is 1 (one) year from the date of execution. Either party may terminate this MoU by giving a written notice to the other party one (1) months prior to the intended date of termination provided that termination by either of the parties shall not relieve that party of its obligations accrued prior to such termination, under this MoU. Obligations of the parties with respect to Confidential information service termination of this MoU.

The membership fee paid by the Institution is non-refundable and in the instance, MOU is terminated before expiry of the MoU, the membership fee shall not be refunded.

6. FORCE MAJEURE

Neither party shall be held responsible for non-fulfillment of their respective obligations under this MOU due to the exigency of one or more of the force majeure events such as but not limited to acts of God, War, Flood, Earthquakes, Strikes not confined to the premises of the party, Lockouts beyond the control of the party claiming force majeure, Epidemics, Riots, Civil Commotions etc. provided on the occurrence and cessation of any such event the party affected thereby shall give a notice in writing to the other party within one month of such occurrence or cessation. If the force majeure conditions continue beyond six months, the parties shall jointly decide about the future course of action.

7. WAIVER

Failure to enforce or exercise, at any time or for any period, any term of this MOU does not constitute, and shall not be construed as, a waiver of such term and shall not affect the right later to enforce such term or any other term herein contained.

8. SURVIVAL

Any terms or conditions of this MoU, which by their express terms extend beyond termination or expiration of this MoU or which by their nature will so extend, will survive and continue in full force and effect after any termination or expiration of this MoU.

1. Introduction

India has become a promising investment destination for foreign companies looking to do business here. **Vision India** is a Transformational Human Capital Organization offering customized People and Process solutions in the domain of Skill Development, Staffing and Business Outsourcing by making people Employable, Efficient and Effective. This initiative is expected to spur development, economical growth and thereby improving the living standard of Indian Citizen.

Education has to play very important role in providing huge pool of skilled and knowledgeable, and industry ready Employees. The future success of Indian Industry depends on the growth of quality education in India, especially since Indian industry is competing globally in areas such as software and hardware electronics, automobiles, pharmaceutical, chemicals, engineering equipment etc.. However, the reality is that only a very small percentage of these students are readily employable (@25% or less as per the survey by Nasscom) and most lack industry specific skills. In order to bridge this gap between the academia and the industry and to ensure ready deployment in regular work streams, structured industry specific training is necessary. Also you need good support systems for skill development. EdGate is focused towards the same and partnered with worldwide companies to get world class technology on IOT, Embedded, Robotics and Analog systems in India.

2. Brief Introduction about KSRM College Of Engineering, Kadapa

KSRM College of Engineering, Autonomous, established in 1980, is one of the premier technical educational institutions in AP with an intake of 810 including B.Tech and M.Tech. The institution is Approved by AICTE, New Delhi & Affiliated to JNTUA, Ananthapuramu. Accredited by NBA of AICTE & NAAC of UGC twice so far. An ISO 9001:2008 & 14001:2004 Certified Institution.

Our commitment to technical education focuses on building a deep understanding of concepts, teaching with skill and passion, and communicating ideas that have power in practice. Our students are trained to be proactive individuals who make a difference to the world around them, in their own unique ways. We train and develop world - class leaders, not merely technocrats. Our students inculcate an enviable combination of technical, analytical, quantitative and qualitative skills, which help them to grasp the crux of problems and tackle them effectively. In the process of reaching the corporate we train the students accordingly to acquire employable skills by eminent trainers. We are offering CSE / EEE / ECE / MECH / CIVIL courses in our college.

Further it is bring to your kind notice, that most of the teaching staff working in the departments are possessed doctorates and some of them are pursuing their Doctorates at present. The Mechanical Department has undertaken a Project worth rupees 1,00,00,000/- Titled "DEVELOPMENT OF DUAL FUEL ENGINE" funded by UGC, New Delhi. The Institution is successful in grooming the students to the level of securing first rank in all India GATE-2006 Examination and 4th, 8th, 18th and 30th Ranks in the Subsequent GATE Examinations.

3. Brief Introduction about EdGate Technologies Private limited

EdGateTechnologies Private Limited is Texas Instruments India University Program Partners. EdGate has an extensive presence all over the country and well established connectivity within the academic and corporate communities. Our aim is to reach out to the Corporate, educators and the engineering student community to help them achieve more in their research and their learning initiatives.

Services offered to Universities under Texas Instruments India University Program

- Presales Guidelines
- Sales and Continuous Post Sales support
- Installation and Training
- Train the Trainer Program (Customized)
- Seminar/Workshop (Customized)
- Faculty Development programs (Customized).

EdGate has setup Texas Instruments Labs in various Engineering KSRM College Of Engineering, Kadapas across India. EdGate has signed 150+ MOU's and 25 TIIC's with Engineering KSRM College Of Engineering, Kadapas under Texas Instruments University Program.

EdGate Technologies provide a whole range of services by leveraging its business expertise by strategic alliances with leading technology providers & are Sole authorized distributors of following Partners

- Mango Communication, USA : Mango has its roots in the Rice University Wireless Open-Access Research Platform (WARP) project, originally an NSF-funded research
- Project that has grown into a self-sustaining open-source wireless research platform.
- SoftDB, Canada (Texas Instruments – Third party developer)
- Technosoftmotion, Switzerland (Texas Instruments – Third party developer)
- Neeuro, Singapore (Senzeband Brain Wave Technology)
- Link Research, USA (Texas Instruments – Third party developer)

Texas Instruments University Program

The TI University Program is the intersection between TI technology, educators and the engineers of tomorrow. Our advanced analog and embedded processing technologies fuel the passions of students and educators in university labs worldwide. Established in 1982, the TI University Program is a global program dedicated to supporting educators, researchers and students in facilitating the inclusion of TI analog and embedded processing in engineering classrooms, teaching and research labs, textbooks, design projects and course curriculum. By building relationships with educators, TI works to bridge the gap between the business and academic world. Incorporating TI technology into curriculum provides educators with the ability to teach real world concepts and complement this with a unique hands-on learning experience utilizing TI tools, making it more exciting, relevant and valuable to the student.

Working with TI increases the knowledge base of future engineers so that they interact with industry-standard technology before they graduate. TI helps to develop the skills needed to tackle tomorrow's most challenging problems. By providing students access to the largest and most

advanced analog and embedded processing portfolio, the TI University Program provides the tools necessary to inspire innovation and take engineering concepts from the book to the breadboard.

1. Contribution and Expectation of EdGate Technologies under Texas Instruments India University Program

As on-ground deliverables, EdGate Technologies will provide the following:

- a) **Curriculum:** EdGate will provide the Curriculum for Texas Instruments Labs. KSRM College Of Engineering, Kadapa should find ways to incorporate curriculum in their syllabus.
- b) **Lab Setup:** The KSRM College Of Engineering, Kadapa will set up a lab which will be entitled "Texas Instruments Innovation Lab" at its premises.
- c) **Faculty Development Program:** KSRM College Of Engineering, Kadapa will organize at least one faculty development program in its premise for its faculty members and faculty members of other Indian engineering institutions to teach TI Platform. The KSRM College Of Engineering, Kadapa will provide the infrastructure facility for conducting the faculty development program. EdGate Technologies Pvt Limited will help the KSRM College Of Engineering, Kadapa in conducting this program.
- d) **Workshops/Events:** If the KSRM College Of Engineering, Kadapa wishes to organize a national event in the area of TI Platform, EdGate Technologies Pvt limited will provide speakers.
- e) **Training Programs:** EdGate Technologies Pvt Limited will assist the KSRM College Of Engineering, Kadapa in organizing training programs/tutorials on topics related to TI Platform. Faculty members from the KSRM College Of Engineering, Kadapa who have undergone train-the-trainer program and who are certified by EdGate Technologies Pvt Limited as trainers may run certified training programs. KSRM College Of Engineering, Kadapa will provide certificates for the participants of such programs. (Valid for 1 year only)
- f) **TI Lab Engagement Program:** EdGate Technologies Pvt. Limited will help the KSRM College Of Engineering, Kadapa to get engaged into the TI Innovation Centre Labs under this program over a period of 3 months at three different levels i.e., Basic, Intermediate and Advanced.
- g) **Under TI Lab Engagement Program,** KSRM College Of Engineering, Kadapa in association with EdGate Technology Pvt. Limited, May organize and conduct Summer/Winter Training Program for the students from all the nearby engineering institutes along with students from their KSRM College Of Engineering, Kadapa by charging moderate fees. EdGate Technologies will provide experts for such program on subsidies charges. EdGate will certify those students.

2. Contribution from KSRM College Of Engineering, Kadapa

Faculty Mentor: Qualified Faculty of Electronics & Communication Engineering, Instrumentation & Control Engineering, Biomedical Instrumentation, Computer Engineering, and Information Technology (preferably with programming knowledge on C; C++) will be made point of contacts and will mentor interested students.

KSRM College Of Engineering, Kadapa should set up lab based on list below:

- c) Financial: Institute will operate the Centre with the help of existing staff.

KSRM College Of Engineering, Kadapa-Texas Instruments Innovation Centre (TIIC)

EdGate Technologies aimed at establishing a collaborative bridge between companies and KSRM College Of Engineering, Kadapas with the objective of making students in the Engineering KSRM College Of Engineering, Kadapas and Schools have a greater hands on experience in technologies related to :-

- a. Ultra Low Power Applications
- b. Embedded System (Real time system Design)
- c. Internet of Things (IOT)
- d. Robotics Lab With Brain Wave Technology

These programs would go a long way to get the students hands on project experience in state of the art Micro-controller boards which are being developed by Texas Instruments. The experience will include hands on software and hardware skills which are highly desired by industry. These projects will provide an experiential appreciation of the latest technologies giving the students significant edge across multiple dimensions like knowledge, enhanced employability, project experience etc..

KSRM College Of Engineering, Kadapa-TIIC will bring in the following core values:-

KSRM College Of Engineering, Kadapas:

- Ultra Low power Microcontroller Lab
- Internet of Things technology is based on the traditional Internet technology, development and extension due to its extremely wide range of applications involving almost all walks of life and therefore in order to meet the needs of industry professionals, a growing number of KSRM College Of Engineering, Kadapas and universities applied for Internet of Things engineering professional in teaching programs arranged in Internet of Things technology courses.
- Strong Branding and ability to attract better quality students.
- Better ranking amongst the competition.

Students:

- Exposure to state of the art technologies through hands on learning experience
- Better employability opportunities
- Showcase talent and innovation
- Participating in Texas Instruments Innovation Challenge.(If Texas Instruments conducts any contest centre will be connected with the same)

Vision forward:

EdGate Technologies hopes that once these Innovation Centres are in place and running, If Texas Instruments conducts any contest centre will be connected with the same.

Description	<p>The H&S Department in association with NIT Warangal has organized Guest Lecture on Preparing for Success from Day One on 18th November, 2022 in MB Seminar Hall from 10.00 AM to 12.00 PM. Dr. Dinakar Dantala, Professor in the Dept. of Physics at NIT, Warangal acted as the resource person. Sir explained Engineering is the most popular choice for most of the youngsters in India. Students assume that pursuing a B. Tech degree is a guarantee of success in life. He created an awareness on how one could be successful in one's student life. In his speech he said, most of the engineering students don't even know where their focus should be. If you think you should just aim for better placement or a high GPA, then you are wrong. It is very easy to score better, but there are hundreds of students pursuing B. Tech. But you have to make yourself stand out from the crowd. Which means that you need to work really hard. The principal Dr. V S S Murthy, and the faculty members felicitated Dr. Dinakar with a shawl and a memento.</p>
