Organizing Dept./Support System	Anti-Sexual Harassment Cell, Women Empowerment Cell & Department of Humanities and Sciences.	
Description	Self Defence classes were organized by Anti-Sexual Harassment Cell in association with Women Empowerment Cell & Department of Humanities and Sciences from 21st November, 2022 in KSR ground at 4:00 PM for B. Tech I SEM students. The session was led by Miss. C. Renuka, Miss. C. Vandana Evangeline and K. Jagadeesh Kalyan Kumar. They spoke on the importance of self Defence. Self-defence classes can help to build up self-confidence. Self-defence classes teach people how to defend themselves from an attacker. They also talk about when and where to use the skills that students are acquiring. It can be comforting to know that you can defend yourself from an attacker and protect your children when needed. Many people advise against carrying a weapon, since many attackers can overpower you and use that weapon against you. When you take a self-defence class, you may learn how to use your body as a weapon. It makes you able to respond effectively in difficult and scary situations.
