**ABOUT THE INSTITUTE**

Kandula Srinivasa Reddy Memorial College (KSRM) of Engineering was established in the year of 1980, in the memory of late Sri. Kandula Srinivasa Reddy, son of late Sri. Kandula Obul Reddy, former Member of Parliament. The institute is Autonomous and approved by AICTE, Accredited by NAAC, An ISO 9001:2015 Certified institution, and Affiliated to Jawaharlal Nehru Technological University, Anantapuram.

The mission and purpose in establishing KSRM College of Engineering is to impart quality of education in Engineering at Under Graduation and Post Graduation levels aiming to achieve the status of the best Engineering College and thereby fulfill the dreams of the founder chairman and the aspirations of the students community in the region to become world-class professional and technocrats.

The Institute offers B. Tech Courses in CE, EEE, ME, ECE, CSE, AI & ML. The institute also offers post-graduate courses namely M. Tech in Power Systems, Geotechnical Engineering, Renewable Energy, Embedded Systems & VLSI and AI & DS. The institute has spacious campus spread over 35 acres with accommodation of over 39000 sq.m. built - up area and surrounded by plenty of greenery.

**ABOUT THE DEPARTMENT**

The department of Computer Science and Engineering has been established in the year 1991. The department offers a four year B.Tech degree in CSE with intake of 180, a four year B.Tech degree in AI & ML with intake of 60 and two year course of M.Tech degree in AI & DS with an intake of 18. The department has also recognized as Research Centre to offer Ph.D in CSE from the

academic year 2016-2017. The department has well qualified and competent faculty members. The department has well equipped computer laboratories with total 550 computers. These labs are equipped with latest configuration computers and with all applications and system Software's required.

**ABOUT THE CONFERENCE**

The National Conference on Advances in Computer Science and Engineering(NCACSE - 22) provides a common forum for deliberations, sharing of recent trends, advancements and research in the areas of Computer Science. This conference will be a very good platform for academia, researchers, industry practitioners and technologists to discuss and present recent advances and research outcomes in the field of Computer Science and Engineering.

**CALL FOR PAPERS**

The NCACSE-22 invites full length original research contributions not submitted to any other journal/conferences. We invite technical papers on, but not limited to, following domains.

- \* Artificial Intelligence
- \* Data Science
- \* Machine Learning
- \* Deep Learning
- \* Data Mining
- \* Big Data Analytics
- \* Network Security
- \* Wireless Sensor Networks
- \* Network Communication
- \* Image Processing
- \* IoT
- \* Cloud Computing
- \* Cyber Security
- \* Block Chain Technology

**PAPER SUBMISSION**

The Faculty members, Research Scholars from AICTE-approved institutions can submit the papers for the conference.

The authors are required to submit their full paper (In IEEE format) to [ncacse22@ksrmce.ac.in](mailto:ncacse22@ksrmce.ac.in). The title of the paper, Name(s) of Author(s), Affiliation, and Email address must be included in the paper.
